The New CASUAL LUXURY

Our new Casual Luxury collection is finally here. A collection of fragrance, candles, hand wash, body lotion and body wash in three scents — Bayside Calm, Oceans Swirl and Forest Finest.

The Bayside Calm collection is a fresh, crisp and lively set of fragrance, candle, hand wash, body lotion and body wash. The fragrance opens with citrusy notes of green mandarin and bergamot together with invigorating minty notes. This marries well with the heart containing fruity notes of peach and melon combined with aquatic notes. The base note, reminiscent of the sea breeze, is a mix of marine accords and dry wood.

The Oceans Swirl collection is an aromatic and woody set of fragrance, candle, hand wash and body wash. A fresh scent of wind and water, Oceans Swirl is a harmony of sweet and salty notes reminiscent of the sea and sun-kissed skin. It opens with bitter citrus notes and aromatic herbs only to trail into a soft woody and musky base.

From a lush, green world of freshness comes the green tea-scented collection, Forest Finest. The set of fragrance, candle, hand wash, body lotion and body wash energizes the body, refreshes the senses and invigorates the spirit. The experience is uplifting, revitalizing and balanced. The fragrance opens with sparkling citrus notes followed by delicate, sweet red fruits and green tea. This is all wrapped in graceful and warm notes of musk, sandalwood and patchouli.
