

Stories > Our latest stories > The New Premium Leather Accessories Collection

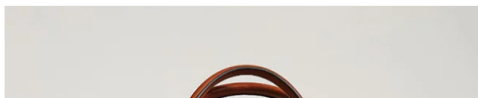

Focusing on high quality leather goods inspired by timeless aesthetics and modern design, we've created a new collection that appeals to a wide range of audiences. Each piece is conceived with the purpose of lasting forever while creating a unique experience to its wearer.

Though timeless in design, each piece requires skilled craftsmanship that makes the leather flexible, fuller-bodied, soft, supple and, most importantly, environmentally friendly. Aside from being environmentally friendly, tannins naturally found in tree barks give each product a rich, unique and beautiful patina that ages wonderfully with time — products you can call your own.

The leather in this collection has a grainy surface, which gives the bag its soft look and feel that will age beautifully.

The trusty Brown Willow tote is sleek enough to take from office to dinner and spacious enough to fill with your daily necessities. Made from cow leather, the Brown Willow Tote is tanned using organic materials and natural tannin derived from tree barks, leaves and branches. Imitating the uniquely enchanting nature the tannin comes from, each bag has a rich, inimitable brown shade and distinctive woody smell. This makes each Willow bag truly yours.

The wish-list topping Black Willow bag shows that classic simplicity rules. In line with our values, the Black Willow Tote is prepared with the mixture of Chrome and natural materials and without the use of chemical fertilizers, pesticides, or other artificial agents. Made from cow leather, it's a functional trophy tote that environmentally conscious consumers will wear loud and proud. The gold metal trims, and gold foil embossed logo give the bag a subtle sophistication.

The Trudy Zip Wallet is a bag for those who love petite bags that transition from day to night with ease. It's easy to turn Trudy from cross-body to shoulder bag or to a clutch with a tug/detachment of the strap. As with the Willow Tote, this bag comes in black and brown and is made from cow leather. The Brown Trudy Zip Wallet, with its unique tan and smell, is perfect for anyone who wants a one-of-a-kind piece. The Black Trudy Zip Wallet, on the other hand, is for those who want to inject understated yet elegant luxury to their looks.

If you still haven't made the full transition to a cashless life, then the Meadow Zip Wallet has your name written all over it.

The two big compartments keep all important cards in one place, while the coin pouch does what it's advertised to do. The zipper feature is a nice way of keeping the contents in your wallet from spilling out into your tote. Made from the same leather as the Willow Tote, this wallet, which comes in brown and black, is a chic complement to the bag. The matching gold metal trims and gold foil embossed logo says, "I've got this whole elegance thing down pat!"

For the minimalists of the world, the Phoebe Cardholder is the way to go. It has five card compartments that allows fast and easy access. Like the rest of our bag assortment this card holder comes in black and brown and is made from cow leather. It has a gold foil embossed logo that gives this simple cardholder an extra edge.
